PubSCIENCE provides users the capability to search across a large compendium of peer reviewed journal literature with a focus on the physical sciences and other disciplines of concern to the Department of Energy (DOE).

PubSCIENCE is another service developed by DOE's Office of Scientific and Technical Information and made available to the American public in partnership with the U.S. Government Printing Office (GPO). Also visit the *DOE Information Bridge* for full-text DOE Report literature. *PubSCIENCE* is a component of *EnergyFiles Virtual Library of Energy Science and Technology*.
